for the rights of all who are destitute. Speak up and judge fairly;
defend the rights of the poor and needy."

Happy Valentines!

Valentines may not have roots in scripture...but what a great way to celebrate the fact that Love walked among us and reigns forevermore! :)

We pray that you are doing well. This will be a quick update as we wanted to ask for your prayers and highlight a few things coming up.

We are heading out next week for several weeks to serve at the [Jungle School of Medicine](#). This will be our first mission together with FBR and we are very excited to bring help, hope, and love to the people at the school, clinic, and surrounding village.

During our time away we will be teaming up while also working in some different capacities. Ross will be focused on building relationships with the medical supply team

and working to further develop their medical supply processes and procedures. Eirenee' will be teaching Sunday school and English.

Please pray for open hearts to Jesus of the people we are serving, God to bless new relationships we are forming, unity and joy as family, and safety throughout our travels via truck, boat, and foot. Please pray for Luca as he stays with close friends while we are away.

Upcoming Opportunities

Next month there are several opportunities to join with others around the world in highlighting the amazing resolve of the people oppressed in Burma while also joining together in support and prayer.

- **12 March - 18th Annual Run for Relief**
 - We will be working to host this event in Chiang Mai. HOWEVER, you can join virtually or even host an event locally. This [FB page](#) will be updated soon with 2022 details but it is still a good place to see last year's event.

- **14 March - Global Day of Prayer for Burma**
 - We will be joining with others here in Chiang Mai to pray for Burma. *Would you join us from where you are?*
 - [You can read last year's announcement](#) and letter from Dave Eubanks and see the magazine that highlights things to pray for. We will share the 2022 copy the week before the event.

We are so thankful for your partnership! We will have limited to no connectivity until mid-March so if we are slow to respond it's not because we don't like you :)

Thank you, thank you for your continued prayers and support as we continue on this journey! Your gracious giving enabled us to be 48% funded for the month of January!

How can we be praying for you?
