Family and Friends,

Happy New Year! We are all settled in our new home in Chiang Mai, Thailand. Praise God for providing us the Cho family (missionaries with OMF) who have taken us in like one of their own. God truly went before us and has used them to provide us a home to live in, transportation, and everything else we needed in our transition to living here.

God answered so many prayers during this transition. We have experienced blessings of all kinds.

- **Through your prayers.** We arrived in Chiang Mai right before they shut down inner-provincial travel due to a COVID spike. Praise God!
- **Through your encouragement.** Texts, emails, virtual calls, and more have been such a blessing to us!
- **Through your giving.** We were 100% financially supported for the month of December!

What else have you been up to?

Well thanks for asking :)

Eirenee' dove right in and was able to join the worship team and play keys. Her biggest focus right now is working to capture and communicate videographically the story of each outreach project under the Family Connection Foundation (FCF). Currently there are 15 projects that work directly with the poor, orphans, widows, and those vulnerable to sex trafficking. There are so many powerful stories to share how God has moved in their lives!

Ross is enjoying his internship with the church. He finds each day of meeting new people and learning about their story to be an exciting adventure. He has begun assisting with administration, event planning, and launching community groups. The church currently only has two full time staff so it is a great time to be here and serve. There was even a “worker-less” stand-up desk waiting for him.

Thank you, thank you for your continued prayers and support as we embark on this journey!
